Commenting on the new MCCF building, Founding President Ray Thomas stated, “Never in my wildest dreams could I have imagined that the Community Foundation would have its own building in such a short period of time. When Dave Mitzel and I began working on the Community Foundation, the experts told us we couldn’t have one in our community because we didn’t have enough population to support one. The experts just didn’t understand that it is the quality of the people – not the quantity – that makes things happen. The Straker Family and all the others who contributed to this beautiful building are quality people who love our community.”

# Homes, Sweet Homes

The Muskingum County Community Foundation was incorporated on August 23, 1985 by the late Mary Vashti Funk, Arthur Joseph, the late Milman Linn, Ray Thomas, and Dr. Donald Urban. The agent for this Ohio nonprofit corporation was the late R. Donald Cultice. The Community Foundation was one of the 18 community projects of the Zanesville Development Corporation (ZDC), organized by Albert H. Hendley, Jr.

In 1986, the first office of the Community Foundation was established in Room 129 of Elson Hall on the Ohio-University-Zanesville Campus. This office housed the first Executive Director, David P. Mitzel, who was a loaned executive thanks to the efforts of Dr. Craig Laubenthal, then Dean of Ohio University-Zanesville. The first Foundation office is now the office of Dr. Jim Fonseca, Dean of the campus.

In July of 1988, the Community Foundation began its first fund-raising campaign. The Foundation offices were moved from Ohio University to 512 Main Street, a building donated by Century National Bank as temporary campaign offices for Resource Advancement's Jerry Novak, resident campaign manager for the Foundation's \$2 Million Campaign. The building is now vacant.

In February of 1989, the Foundation concluded its contract with Resource Advancement and named Bob Popp as Interim Director. While Bob was Director, the Foundation moved to a contributed headquarters on the second floor of Willie Baker's Real Estate office. This move was announced on August 23, 1989.

On July 1, 1990, Dr. Robert J. (Jim) Decker became the Executive Director of the Foundation and utilized the donated space in Willie Baker's

building until a new office was constructed for the Community Foundation in the refurbished and expanded McIntire Library on Fifth Street. The Foundation moved into the library on January 10, 1992.

On October 1, 1995, David P. Mitzel, Ph.D., returned to the Community Foundation as its Executive Director and moved into the John McIntire office. As the Foundation grew, one of the recommendations of the MCCF Strategic Planning Committee under the leadership of Bill Plummer was to locate a new facility for the Foundation. It was not even six months after the plan was accepted by the Trustees that a proposal for a new facility came from a private foundation.

In May of 1998, Susan Henderson, President of the J. William and Mary Helen Straker Charitable Foundation, proposed to the Board a plan to build a new office for the Community Foundation in the Putnam Historic District. Although the Foundation appreciated the kindness of donated space and services from the Muskingum County Library System Board and the hospitality of its director Sandra Plymire, the MCCF Trustees realized that the Foundation needed a home of its own to become more visible and to embody its permanence in the life of the community. The groundbreaking for the new facility took place on October 7, 1998. The Foundation moved to 534 Putnam Avenue on June 8, 1999. The new building was dedicated on August 6, 1999.

The new MCCF headquarters was designed by Pat Kelly of Kelly Architectural Services and was constructed by Dick Boulton Construction, Inc. They are among the many donors to the new building who are listed within this publication. The Foundation owes them and the J. William and Mary Helen Straker Charitable Foundation gratitude not only for the building but for the excellence in design and construction and for the beauty that it displays to our community. It is a new landmark in an old community.

The Trustees encourage you to visit the office at 534 Putnam Avenue. You may park in the rear of the building for easy barrier-free access to the office. The office is open from 8:30 a.m. to 5:00 p.m. on weekdays. The Zanesville Rotary Club's Beautification Committee awarded the building its first place award for new construction in 1999.

The mission of the Muskingum County Community Foundation is to improve the quality of life and to serve the charitable needs of the community by attracting and administering charitable funds.

# President's Report 1999

Nineteen ninety-nine was the year of greatest change for the Muskingum County Community Foundation since its inception in 1985. During 1999, the Community Foundation, under the leadership of its Board of Trustees, reached milestones more grand in scope and timely in achievement than anyone had believed possible.

The first milestone was the occupancy of the newly constructed headquarters of the Community Foundation. This Jeffersonian style office building in the Putnam Historic District was dedicated by Susan Henderson, President of the J. William and Mary Helen Straker Charitable Foundation, on August 6, 1999.

The Straker Family was joined by other donors (listed on page 3) who all contributed to the creation and enhancement of the building that is the pride of Putnam.

The second milestone was the achievement of our goal of \$10 million in assets. We had hoped to achieve this goal by December 1, 2002. We achieved the goal three years early. Not only did we reach \$10 million, we reached well beyond and had \$12.5 million in assets at the end of 1999.

The third milestone for 1999 was a record year in the growth of gifts to the Community Foundation. In 1999, we received more than \$3.5 million in gifts. The gifts in this one year nearly equaled the total assets of the Foundation in 1995.

The fourth milestone we achieved in 1999 was surpassing more than \$2.5 million in grants to the community. In 1999 alone, grants totaled more than \$414,000. The Community Foundation gives grants from the income (interest and dividends) generated by the endowment funds that community members establish. No endowments are diminished by grants; on the contrary, the endowments grow in value as they generate gifts to the community.

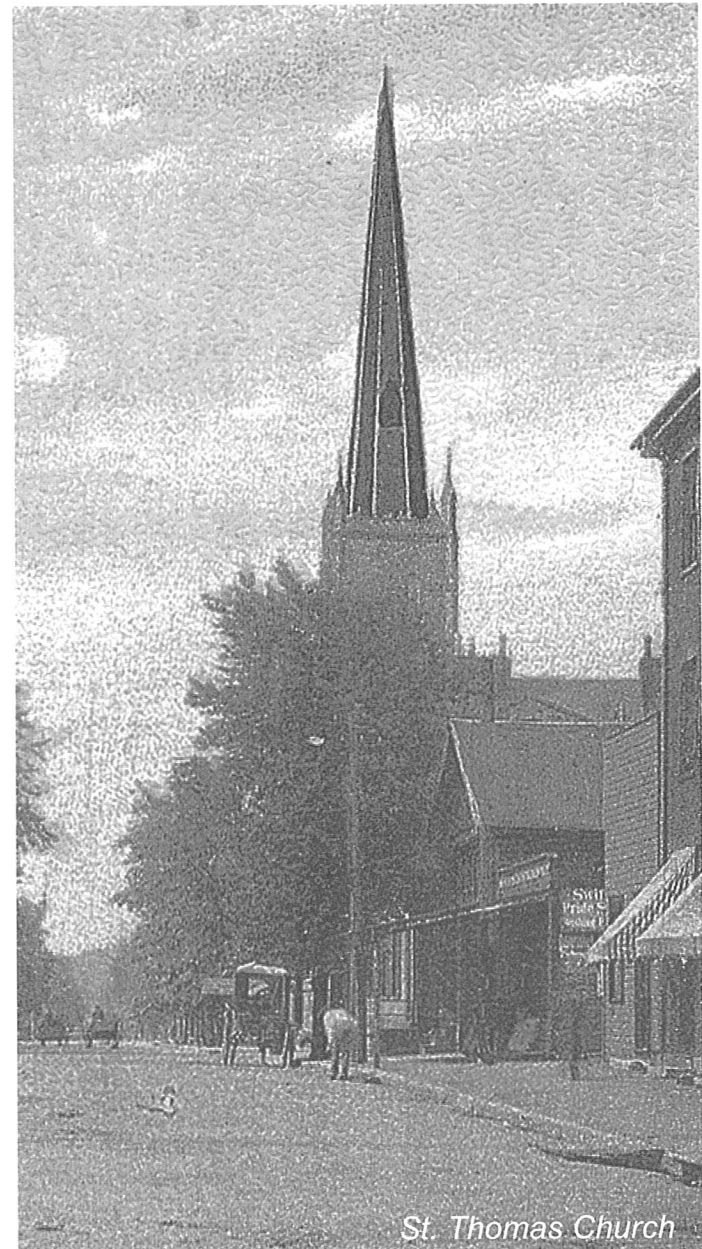

The fifth milestone, and one in which I take special pride, is the increase in the number of donors to the Community Foundation. Not only did more people give to the Foundation this past year than ever before, more people supported the Foundation by attending its events—the Groundhog Day Auction and the Art Walk Downtown.

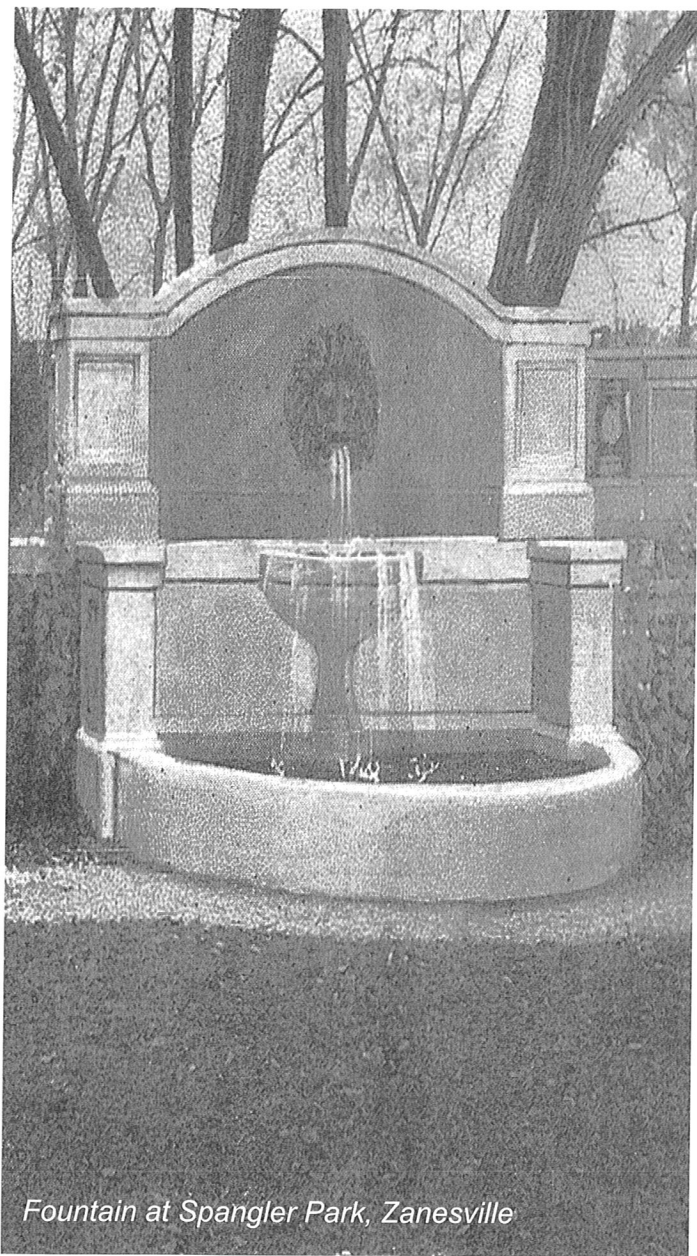

Philanthropy is flourishing in Muskingum County. I want to thank all of you who receive this annual report for your support in improving the quality of life of our community. I especially want to thank the Trustees, the Trustees *Emeriti*, and members of the Foundation Council who have enabled us to reach these five milestones: they are listened to when they ask others to support the Community Foundation.

So please review our progress in the pages that follow while you look upon the landmarks and monuments from our past that remind us of our proud heritage. The Community Foundation, with your help and your gifts, will fulfill your dreams of an even more glorious future. Whatever your dreams and however you want to be remembered, we are here for giving and here for good.

Very truly yours,

*William A. Phillips*  
President

*Fountain at Spangler Park, Zanesville*

# Ways You Can Contribute to Our Community Foundation

## **An Outright Gift of Cash or Securities**

The easiest way for you to support the Muskingum County Community Foundation is through a cash gift. For gifts of cash, you are entitled to an income tax deduction up to 50 percent of your adjust gross income (AGI) with a five-year carryover period for any excess. For gifts of long-term appreciated securities, the limit is 30 percent of AGI, and you will avoid the capital gains tax that would have applied had you sold them. Gifts of stocks are becoming the most popular way to give to the Foundation.

## **An Outright Gift of Real Estate or Other Property**

Some donors may wish to contribute real estate or other items of value, such as artwork, which then can be sold. Most real estate has appreciated faster than the rate of inflation and offers great potential in charitable gift planning. A tax deduction for the fair market value of the property is permitted up to 30 percent of AGI. A charitable gift avoids the capital gains tax.

## **A Gift in Your Will or Living Trust**

A simple charitable bequest provides very meaningful support to our mission while at the same time reduces the amount of estate and inheritance taxes to be paid by the estate of the donor. Bequests may be specific, proportional or residual in nature. A charitable bequest to the Foundation is a way to leave your legacy to the community.

### **A Gift of Retirement Benefits**

Naming the Muskingum County Community Foundation as a primary, partial, or contingent beneficiary of your retirement plan is a simple, practical way to give that you may want to consider. Tax-deferred funds are taxable to your heirs as income as well as inheritance. They are the best funds to give to charity, since, unlike your heirs, the charity will pay no taxes.

### **A Life Income Gift**

You can receive a lifetime income, in addition to various tax benefits, by making a gift to the Muskingum County Community Foundation. For instance, you will receive a tax deduction for the present value of the eventual gift, and you may eliminate the capital gains tax on long-term appreciated assets. On the death of the income beneficiary (you and/or another person), the Muskingum County Community Foundation will have use of the funds to further its mission.

### **A Gift of an Existing Life Insurance Policy**

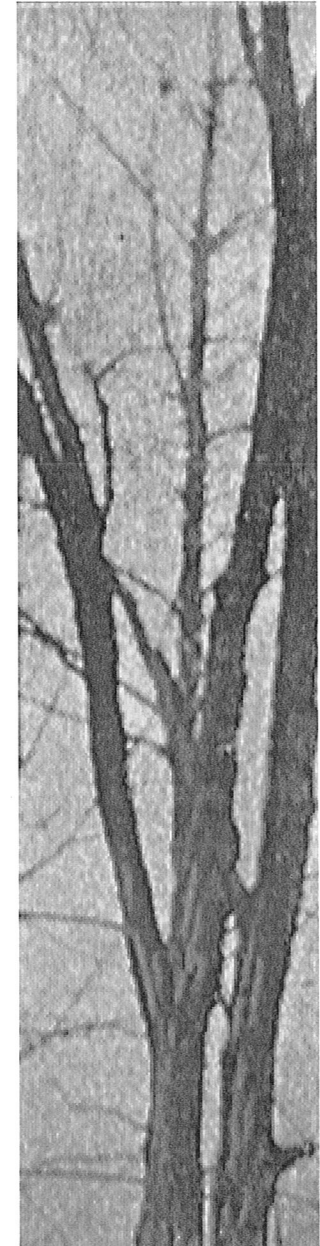

Many people have life insurance policies that are no longer needed for their original purposes. Such policies can be given to the Muskingum County Community Foundation. You may take an income tax deduction for the cash surrender value of the policy.

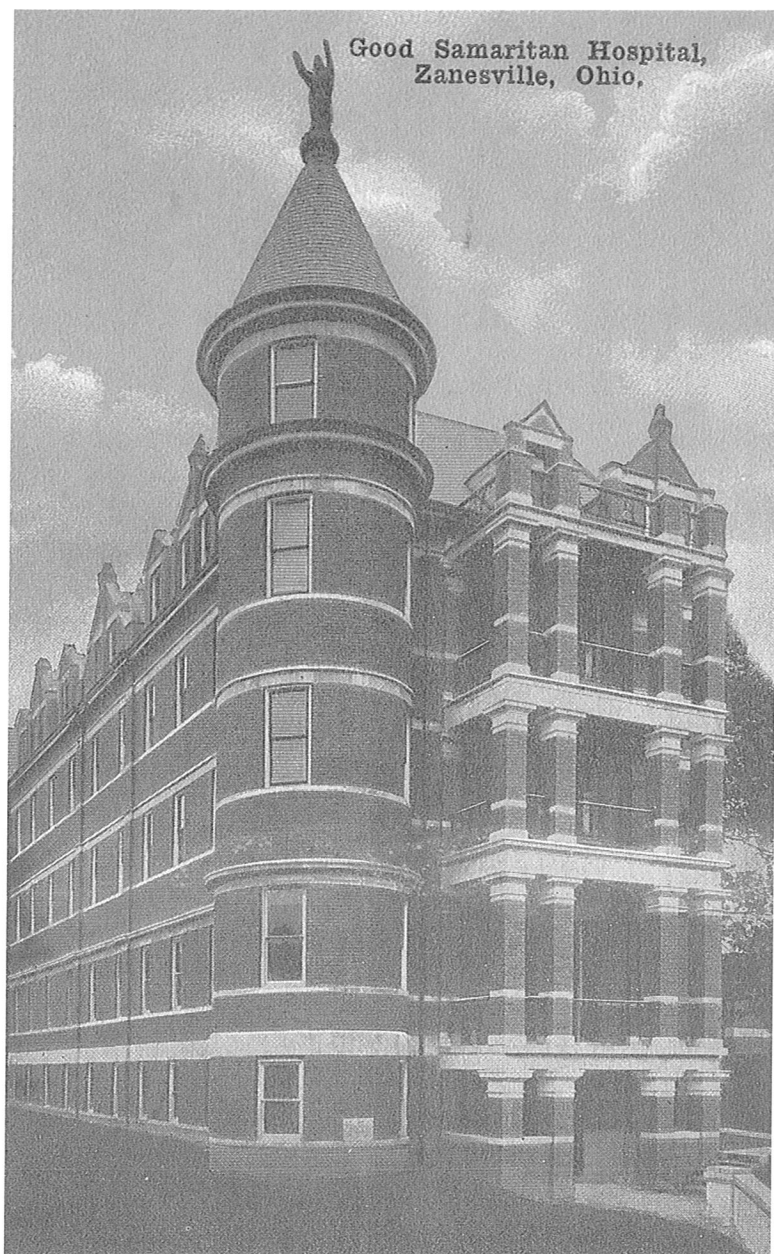

### **A Gift of Personal Residence or Farm with a Retained Life Estate**

It is possible to transfer ownership of your personal residence or farm to the Muskingum County Community Foundation while retaining the use of the property during your lifetime. You receive a current income tax deduction for the property's discounted value.

### **A Gift of an Income Stream**

You can provide annual payments to the Muskingum County Community Foundation from a pool of income producing assets that later will be returned to you or distributed to your heirs. This plan allows you to transfer assets to family members at a reduced value while providing meaningful support to our mission and receiving a current tax deduction.

# Independent Auditors' Report

condensed financial statements

Spangler Park. ZANESVILLE, Ohio.

Certified Public  
Accountants

## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
The Muskingum County Community Foundation

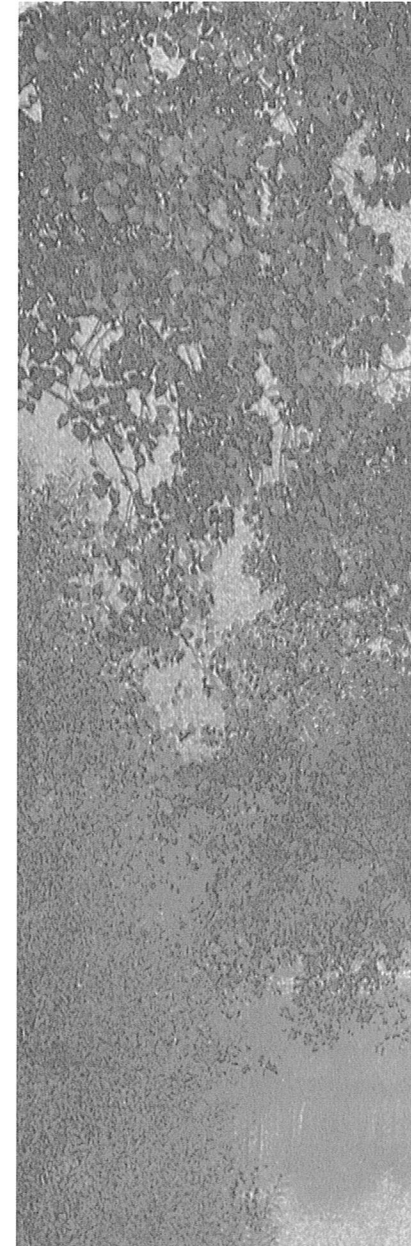

We have audited the accompanying statements of financial position of The Muskingum County Community Foundation (a non-profit corporation) as of December 31, 1999 and 1998 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Muskingum County Community Foundation as of December 31, 1999 and 1998, and the results of its operations for the years then ended in conformity with generally accepted accounting principles.
