Times Recorder

THE YEAR 2000 brought increased riches to the charities benefited by the **Muskingum County Community Foundation**. The Foundation distributed a record \$579,520 to local charities. The Foundation also took a leadership role in four new initiatives that will have an impact on our community now and an even greater impact in the future.

THE FOUR NEW INITIATIVES, all related to our new five-year Strategic Plan, are the following:

1. **LEAVE A LEGACY™ Muskingum County**
2. **The Community Youth Foundation**
3. **The P.U.R.E. Center**
4. **Scholarship Central**

ON TUESDAY, NOVEMBER 14, National Philanthropy Day 2000, the Muskingum County Community Foundation announced the formation of **LEAVE A LEGACY™ Muskingum County**. The new organization represents a community-wide effort to encourage people to remember local charities in their wills and other estate plans. Two individuals who have made LEGACY gifts, **Ray Thomas** and **Mary Jean Orr**, were honored in front of more than 100 people at the Schultz Mansion during the National Society of Fund Raising Executives National Philanthropy Day Celebration. The goal of **LEAVE A LEGACY™ Muskingum County** is to dramatically increase the number of planned gifts in our area.

THE FORMATION OF A NEW **COMMUNITY YOUTH FOUNDATION** was also announced during the National Philanthropy Day festivities. The Community Youth Foundation (CYF) represents all high schools in Muskingum County and Zanesville. Its Trustees are freshmen from each school. Like their counterparts on the Foundation Board, the youthful Trustees receive gifts and distribute grants to local programs, especially programs for young people. The founding Trustees of the Community Youth Foundation are the following: **Ward Mitzel** of West Muskingum High School, President; **Emmy Allen** of Tri-Valley High School, Vice President; **Lauren Gallant** of John Glenn High School, Secretary; **Christol VanCooney** of Philo High School, Treasurer; **Katie Peyton**, Philo High School; **Darcy Travis**, John Glenn High School; **Casey Bolitho**, Zanesville High School; **Amanda Blanton**, Zanesville High School; **Devon Liles**, Tri-Valley High School; **Hillary Kinkead**, West Muskingum High School; **Logan Atkins**, Maysville High School; **Andy Wilson**, Maysville High School; and **Marie Westerheide**, Rosecrans High School.

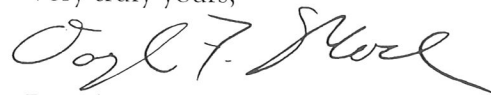

THE **CYF** WAS GIVEN a \$5000 grant from the **Foundation Council**, the group within the Foundation responsible for conducting special events. The Foundation Council obtained funding from the **Groundhog Day Auction**, a fundraiser with profits that the Foundation distributes in grants to local charities. The Council and the Community Youth Foundation are the underpinning of the philanthropic future of our community.

THE **THIRD INITIATIVE** that the Community Foundation undertook in 2000 was the renovation of a four-family residence at 522 Woodlawn Avenue. This building, donated by the **Schultz Mansion**, will open in early 2002 as the **PUTNAM UNDERGROUND RAILROAD EDUCATION (PURE) CENTER**. The fundraising that will make the **PURE Center** possible has been led by **Kathy Brantley** and **Mary Ann Bucci**, both of whom have motivated and inspired our community to commemorate the cooperation of those who traveled the underground railroad and those who conducted them to freedom.

THE **FINAL INITIATIVE** undertaken in the year 2000 was **SCHOLARSHIP CENTRAL**, an idea that **Trustee Emeritus Bill Straker** suggested to increase the public's awareness of the vast number of local scholarship funds. Many students who should be applying for scholarships are not aware of the guidelines, deadlines, and procedures that must be followed to obtain financial assistance. The Community Foundation will implement a program with the support of the **J. William and Mary Helen Straker Fund** to publicize the large number of scholarships and to involve students and their parents in preparing to apply for them.

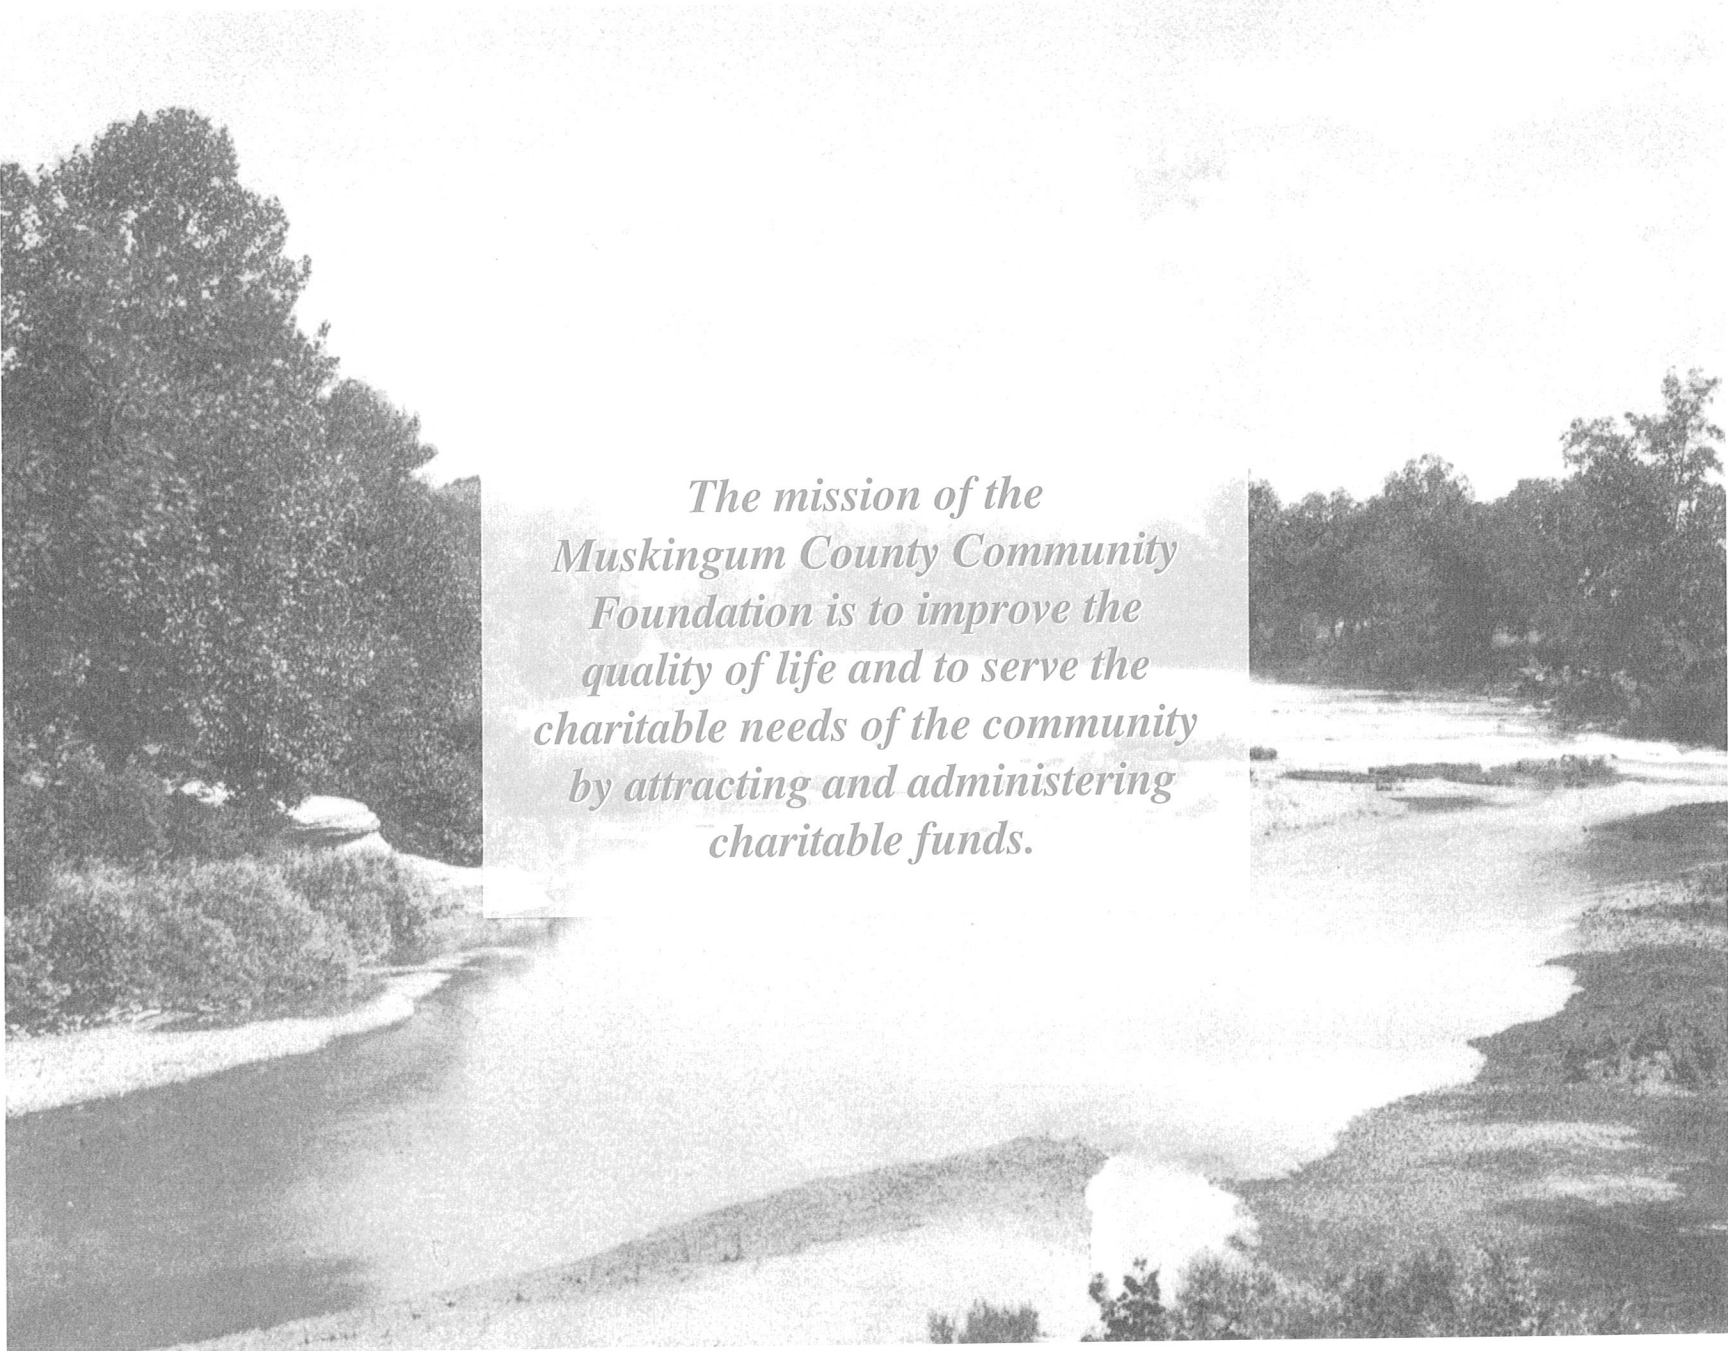

THE **COMMUNITY FOUNDATION** is growing and becoming a more significant force in Muskingum County. Our Trustees, Council, Community Youth Foundation, staff, and I thank you for your gifts and your guidance as we seek to make Muskingum County known nationwide for its charitable achievements.

Very truly yours,

Douglas F. Mock, President

MUSKINGUM COUNTY COMMUNITY FOUNDATION STRATEGIC PLAN

January 1, 2001 – December 31, 2005

GOAL NUMBER ONE

The assets of the Foundation will increase to \$25,000,000 by December 31, 2005.

RATIONALE

On September 30, 2000, the net assets of the Foundation were nearly \$13,000,000. The Foundation doubled its assets from December 31, 1996, when its assets were approximately \$6,500,000. The Foundation will again attempt to double its assets in the upcoming five-year period.

STRATEGY

Without a major gifts campaign, the goal of \$25,000,000 can only be achieved with an on-going and intensive marketing campaign and additional funding generated by grant writing to obtain external support from public and private sources.

GOAL NUMBER TWO

The Foundation will record \$25,000,000 in documented planned gifts by December 31, 2005.

RATIONALE

The Community Foundation is becoming more well-known and respected. Many older individuals, in transferring wealth to the next generation, are making provisions for charitable causes that they wish to support beyond their lifetimes.

STRATEGY

The Foundation will take the lead in the establishment of a LEAVE A LEGACY™ program that will be a cooperative effort among professional advisers, fund raising executives, and area non-profit organizations. Its goal will be to increase the number and the size of planned gifts to the community and to the Foundation through an intensive and ongoing marketing campaign.

Ashland Avenue, Zanesville, Ohio.

Ashland Avenue, 1913
Postcard printed by the S. S. Kresge Company

GOAL NUMBER THREE

The annual operating costs of the Foundation will be paid by the earnings from the Foundation's Operating Endowments, from fees charged to component funds of the Foundation, and from sponsorships of the Foundation's publications, advertising, events, and programs by December 31, 2005.

RATIONALE

The intent of the originators of the Foundation was to create an endowment fund that would generate sufficient income to pay the operating expenses of the Foundation. Although the recent major gifts campaign increased the operating endowment fund to more than \$2,000,000.00, additional funds are needed.

STRATEGY

The Foundation board and staff will work with professional advisers and planned giving prospects to convince them of the importance of providing a portion of their gifts to the operating endowment fund. In addition, the Foundation will actively engage sponsors for long-term commitments of sponsorship of the Annual Report, newsletters and brochures, the LEAVE A LEGACY™ program, the Annual Leadership Lecture, web-site and web-based giving maintenance, and both the Groundhog Day and Art Walk events.

Pavillon at Gant Park, early 1900's

GOAL NUMBER FOUR

The Foundation will consistently and persistently market itself as the vehicle to be used to achieve each donor's dreams for our community. The Foundation has identified areas of needed community improvements to focus its grantmaking upon over the next five years. The following areas may be supplemented by additional dreams that donors want to achieve:

- **Property Development**

The Foundation will work to improve the appearance of downtown, the Route 40 corridor into and out of town, and the Putnam area.

- **Educational Programs**

The Foundation will support educational programs that promote literacy, that enhance achievement by students in all disciplines, and that focus students upon positive choices that further their educational and career goals.

- **Scholarship Assistance**

The Foundation will assist all students in Zanesville and Muskingum County to gain financial resources for post secondary education. The establishment of a one-stop center for scholarships and financial aid for higher education is one strategy to achieve this goal.

- **Health Care for the Uninsured**

The Foundation will assist the efforts of public and private health care providers, physicians, and other interested parties in providing access to a free or low-fee medical clinic.

- **Community Leadership Development**

The Foundation will cooperate with the Chamber of Commerce and others interested in developing the current and next generations of leaders of our community.

- **A Regional Association of Grantmakers**

The Foundation will convene area grantmakers to exchange information about regional needs, to discuss collaboration on charitable projects, and to listen to the needs of grantseekers.

- **Values**

The Foundation will support efforts to promote positive values in families and in the community. Among these values are mutual respect, civility, a strong work ethic, and a shared responsibility for our common destiny.

- **Culture**

The Foundation will support efforts to enrich the cultural life of our community and to ensure that the visual and performing arts touch the lives of every child and every adult in our community.

RATIONALE

The Foundation is a vehicle for donors to realize their dreams for the community. Donors are encouraged, through their giving, to help address the issues, including those listed above, that will improve our community's quality of life.

STRATEGY

The role of the Foundation is to act as convener and catalyst in gathering people and resources to address significant issues in our community. **The above issues will be the focus of grant competitions from unrestricted funds for the next five years.**

GOAL NUMBER FIVE

Within five years, the Foundation, through the efforts of the Foundation Council, will more than double the number of donors to its funds from the current level of 1,200 to 2,500.

RATIONALE

The Foundation is a community foundation in name only if it does not gain widespread recognition and support of its mission of improving the quality of life of our community. The best measure of the Foundation's impact in the community is in the number of individuals who voluntarily contribute to its component funds and projects.

STRATEGY

Market. Market. Market. The more people who are reached by the media and personal contact, who are involved in our special events, and who are involved in community projects sponsored or convened by the Foundation, the greater is our donor base.

GOAL NUMBER SIX

The Foundation Council will establish and manage an active Community Youth Foundation involving youth from all high schools in Muskingum County and Zanesville.

RATIONALE

The future of our community is dependent upon the quality of our human assets as well as upon the assets that the Foundation builds in its various funds. Involvement of high school students as Directors of a Community Youth Foundation will provide them with service on a board with full responsibility for investing, managing, and distributing funds to improve the quality of life for young people in our community.

STRATEGY

The Foundation Council will select students from each high school in Zanesville and Muskingum County for the Community Youth Foundation Board and will work with them.

GOAL NUMBER SEVEN

The Foundation's investment performance will remain in the top half of community foundations of comparable size in the annual survey conducted by The Council on Foundations through the year 2005.

RATIONALE

The investment performance of the Foundation becomes more critical to the success of its mission as the Foundation gains more assets.

STRATEGY

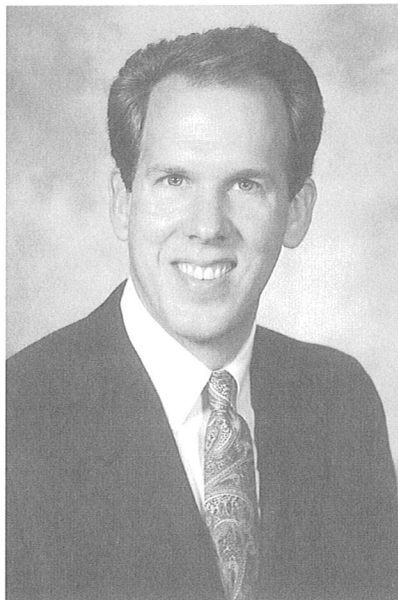

The Investment Committee and the Board as a whole will be encouraged to become involved in devising approaches that will maximize the return on our investments while avoiding unnecessary risk. The Investment Committee will set high standards of performance and closely monitor managers of the Foundation's funds to avoid duplication, unnecessary risk, and deviation from style.

WHAT IS A COMMUNITY FOUNDATION?

A COMMUNITY FOUNDATION IS A TAX-EXEMPT PUBLIC CHARITY that enables people like you to establish charitable funds. The assets will grow over time. You, your family and friends are encouraged to continue giving to the fund to help it grow even more. Grants will be awarded from your fund to support local nonprofit organizations, in accordance with your interests.

Like all community foundations, the Muskingum County Community Foundation is overseen by a volunteer board of leading citizens and run by professionals with expertise in knowing our community's needs. We go beyond simply making grants that advance charitable activities: We also identify current and emerging issues, stimulate resources to address those needs, and help our region prepare for the future. For these reasons, community foundations represent one of the fastest growing areas of philanthropy. When charitably-minded people seek suitable ways to give, we can help.

Muskingum River Scene, 1908

Postcard printed by Edmiston Book & Stationary Company

HOW DOES THE FOUNDATION WORK?

THE COMMUNITY FOUNDATION IDEA IS SIMPLE: Anyone may use it to give something back to our community. Your gifts to the Foundation create one of several types of funds to support your charitable goals.

We offer you a full menu of planned giving options to tailor your gift. You can create a fund in honor of someone you love or to celebrate a special event. You can direct your gift broadly or narrowly to issues you care about or to wherever the needs are greatest. However you give, **YOUR GIFT CAN CHANGE LIVES — TODAY AND IN THE FUTURE.**

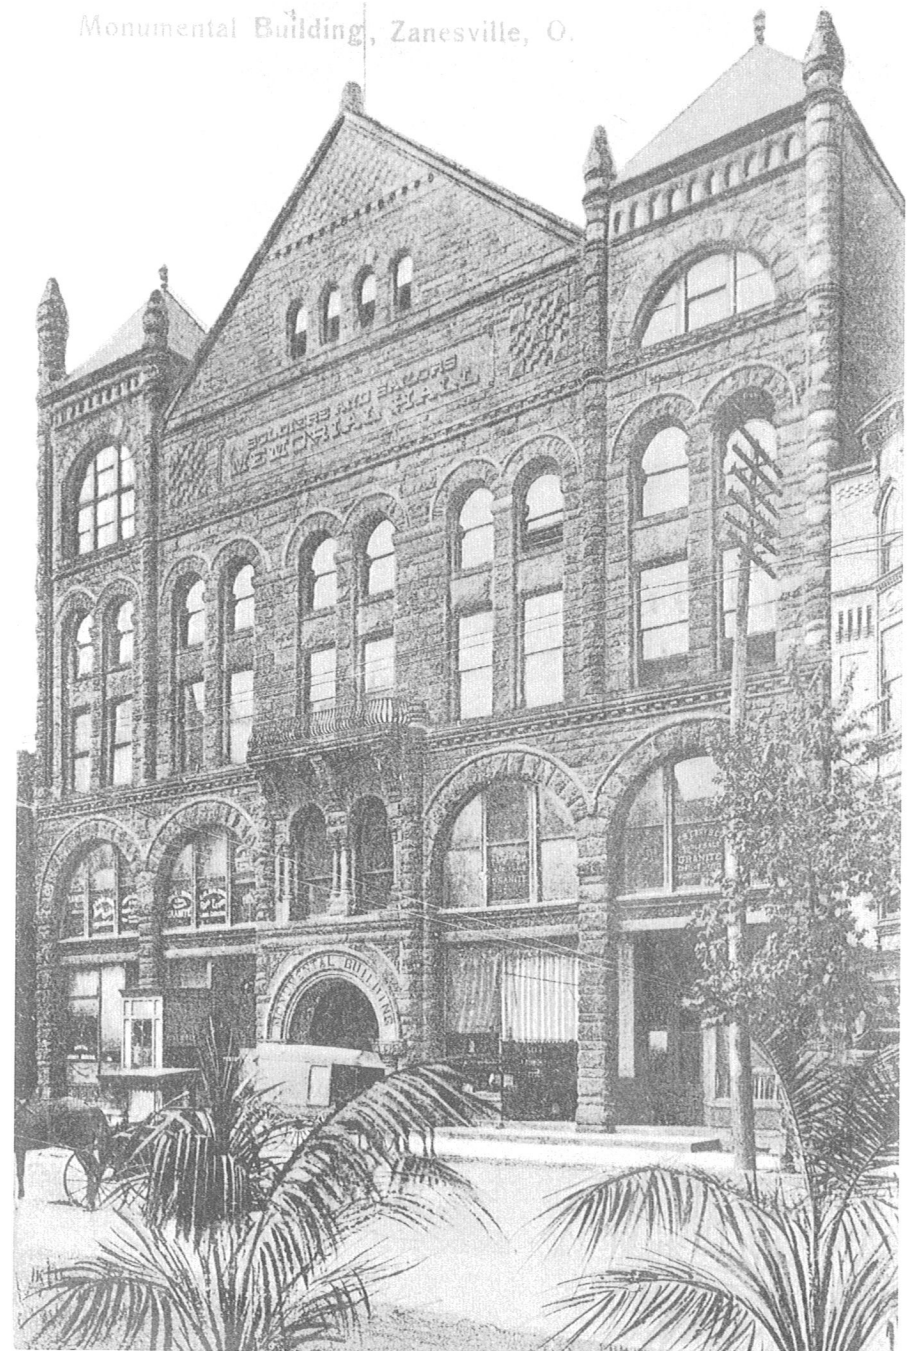

We use professionals to invest and manage our assets. Our board is made up of local citizens who know the community. And our staff can help you create the gift that makes the difference you want.

We offer you power and flexibility in charitable giving without the hassle of legal paperwork and time-consuming government reporting. We can help you set up a fund that will maximize your tax advantages and your impact in the community — **NOW AND FOREVER.**

THE FOUNDATION CAN HELP YOU IN YOUR CHARITABLE GIVING BY...

- *Managing the fund, overseeing its investment and maintaining tax records.*
- *Filing tax returns and providing an independent audit for Foundation funds.*
- *Providing the services of experienced grant-makers who know the community, its needs and its organizations.*
- *Ensuring that grants are always awarded in the name of your fund.*
- *Issuing regular financial reports detailing the status of the fund.*

HOW DO I CREATE A FUND?

DECIDE WHEN TO GIVE. You can create your fund now, establish it in your will, or create it through a trust arrangement that benefits your family as well as charity. You may give in honor of an anniversary, to celebrate a special event or to support a cause. Tax deductions are earned at the time of your gift, while grants awarded from your fund will continue into the future.

DECIDE WHAT TO GIVE. Almost any kind of asset can be used to start your fund, such as cash, publicly traded securities, closely held stock, interests in limited partnerships, real estate, life insurance policies, tangible personal property and private foundation assets. We can also discuss other options with you, such as bequests, charitable remainder unitrusts, charitable remainder annuity trusts, charitable lead trusts, pooled income funds, charitable gift annuities, life income and deferred charitable gift annuities.

CHOOSE THE NAME FOR YOUR FUND. Most of our funds are named for the donor or the donor's family or as a memorial to someone special. Every grant from the fund will carry this name. If you prefer anonymity, you may choose a name that reflects your fund's charitable purposes.

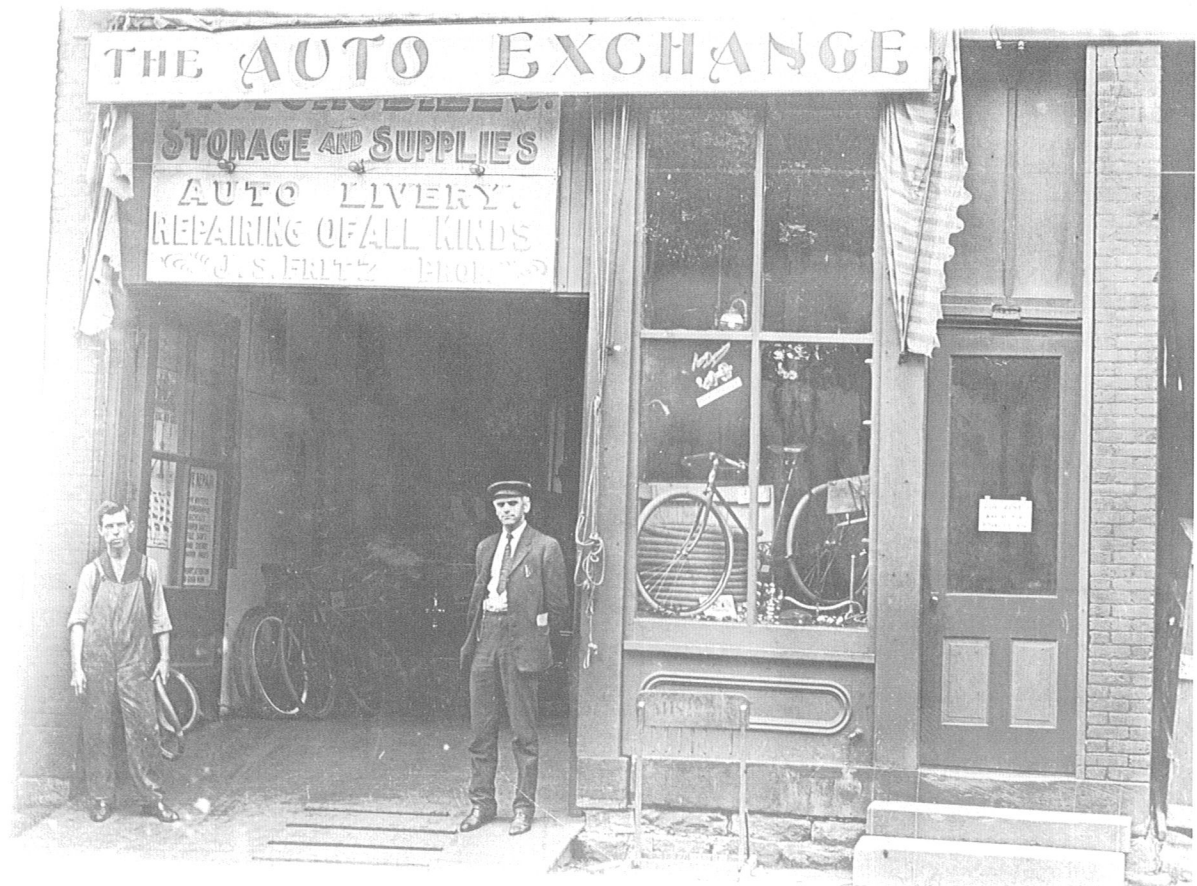

The Old Granger Mill on Jonathan Creek, early 1900's
Postcard printed by C.T. Photochrom

CHOOSE A TYPE OF FUND. We offer a variety of funds that are flexible to meet our donors' different charitable interests:

- **UNRESTRICTED FUNDS** offer the broadest giving option, allowing grants to be made to wherever our Distribution Committee determines our community's needs are the greatest.
- **FIELD-OF-INTEREST FUNDS** create grants that meet needs in a particular field or geographic area that is of interest to you.
- **DONOR-ADVISED FUNDS** enable you to recommend specific organizations to receive grants.
- **SCHOLARSHIP FUNDS** help students pursue academic goals. You may define guidelines for candidacy, the advisory committee, the school, and the award itself.
- **DESIGNATED FUNDS** let you support specific organizations while we make sure that grants to these groups remain relevant over time and responsive to changing circumstances.
- **ORGANIZATIONAL ENDOWMENT FUNDS** are established by nonprofit organizations to provide income to the organization. We handle all administrative and investment responsibilities, freeing the organization to pursue its charitable mission.

***T**HE MUSKINGUM COUNTY COMMUNITY FOUNDATION is here to help you become connected with the issues you care about the most. Your charitable interests and priorities are important to us because committed, caring citizens are so important to our community's well-being. By setting up a fund, you have the ideal opportunity to create a legacy for you, your family, and for our community. Your gift will make a difference today, tomorrow, and forever. **F**or more information about setting up a fund, please call the Foundation at (740) 453-5192.*

CIVIC LEADERSHIP AWARD

2000

THE CREATION OF THE **DICK JOHNSON CIVIC LEADERSHIP AWARD** was proposed by Community Foundation Trustee **Bob Kessler** and approved unanimously at the September 22, 1999 meeting of the **Board of Trustees**. The motion to create the award (by **Frank Dosch**, seconded by **Frank Sidwell**) was followed by an amendment by **Donna Cole**. She proposed that the first Dick Johnson Civic Leadership Award be given to **Dick Johnson**.

ON FEBRUARY 5, 2000, the first Johnson Award was presented to **Dick Johnson**. The award is a fine engraved crystal bowl, a replica of a larger crystal bowl listing recipients which is on permanent display in the lobby of the Community Foundation building.

THE **DICK JOHNSON CIVIC LEADERSHIP AWARD WINNER** is announced at the annual **Groundhog Day Auction** at the **MATC/OUZ Campus Center**.

THE **PURPOSE OF THE AWARD** is threefold: to recognize the achievements of the recipients, to honor the leadership of Dick Johnson, and to encourage others to strive for excellence in civic leadership.

Dick Johnson

The recipient of the Johnson Award is selected by the past presidents of the Community Foundation and the President of the Zanesville/Muskingum Chamber of Commerce. The award recipient will be recognized on February 2, 2002, during the Muskingum County Community Foundation's Annual Groundhog Day Auction.

YOUTH FOUNDATION

FROM GENERATION TO GENERATION

THE COMMUNITY YOUTH FOUNDATION (CYF) is a component fund of the Muskingum County Community Foundation. It exists to provide financial and human resources to projects and programs that benefit the youth of Muskingum County. The Directors of the CYF are selected from high school freshmen who serve on the Board for four-year terms. All high school freshmen who live in Muskingum County are eligible to apply to serve on the Board of Directors.

THE CYF WAS FUNDED by the **Foundation Council**, the group responsible for the production of the Community Foundation's special events. The Foundation Council began the CYF with \$5,000 earned from their annual Groundhog Day Auction.

THE CYF BOARD OF DIRECTORS INCLUDES representatives from all area high schools. Each year, up to two new Directors will be selected from each high school's freshman class. Students interested in applying for membership on the Board of Directors may contact us for an application or request one from the current Board members at each high school. Students selected will be invited to attend the National Philanthropy Day luncheon celebration in November each year and be introduced to the philanthropic community.

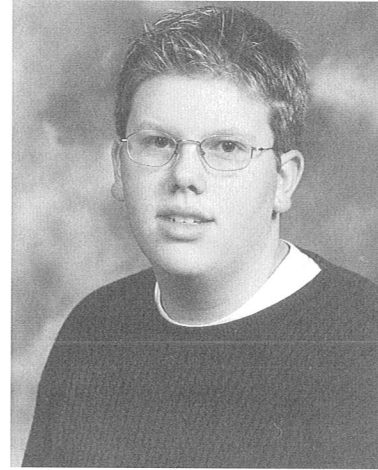

THE CYF WILL SPONSOR fund raisers, distribute funds for youth-related projects, apply for grants, conduct social events, work with area nonprofits and the Community Foundation Council and Board of Trustees to **improve the quality of life for young people in Muskingum County.**

THE COMMUNITY YOUTH FOUNDATION is the Community Foundation's commitment to continuing the fine local philanthropic tradition from this generation to the next.

LEAVE A LEGACY™ MUSKINGUM COUNTY

Last year, the National Philanthropy Day celebration was held on November 14th at the Schultz Mansion in Zanesville. A new campaign, LEAVE A LEGACY™ Muskingum County, was announced to the community at this special event. **Ray Thomas**, President Emeritus of the Muskingum County Community Foundation, gave the first Legacy gift. **Mary Jean Orr**, community philanthropist, established a charitable remainder unitrust. Both legacies were announced on National Philanthropy Day to launch the LEAVE A LEGACY™ MUSKINGUM COUNTY campaign.

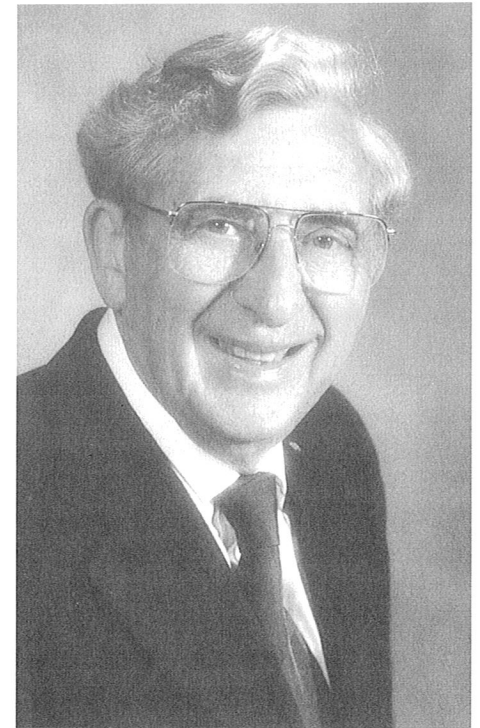

Since November, LEAVE A LEGACY™ MUSKINGUM COUNTY has established a growing network of partners including media, non-profit, and professional organizations. Through these partners, we are reaching individuals in our community who are following the leadership of donors like Ray and Mary Jean. The future of Zanesville and Muskingum County holds great promise thanks to all of these donors and partners.

LEAVE A LEGACY™ MUSKINGUM COUNTY is a community-wide effort to involve all in remembering their favorite charities when they make their wills or estate plans. While more than 70% of Americans give to charity each year, only 2.8%

LEAVE A LEGACY™
MUSKINGUM COUNTY

provide for charity when creating estate plans or when naming a beneficiary for their life insurance policies, annuities, or retirement plans. LEAVE A LEGACY™ MUSKINGUM COUNTY addresses this gap. This on-going campaign asks all of us who live in Zanesville and Muskingum County to make planned gifts, whether large or small, to honor our families by making our community even better for the generations that follow.

“When you treasure your community, you create a community treasure.”

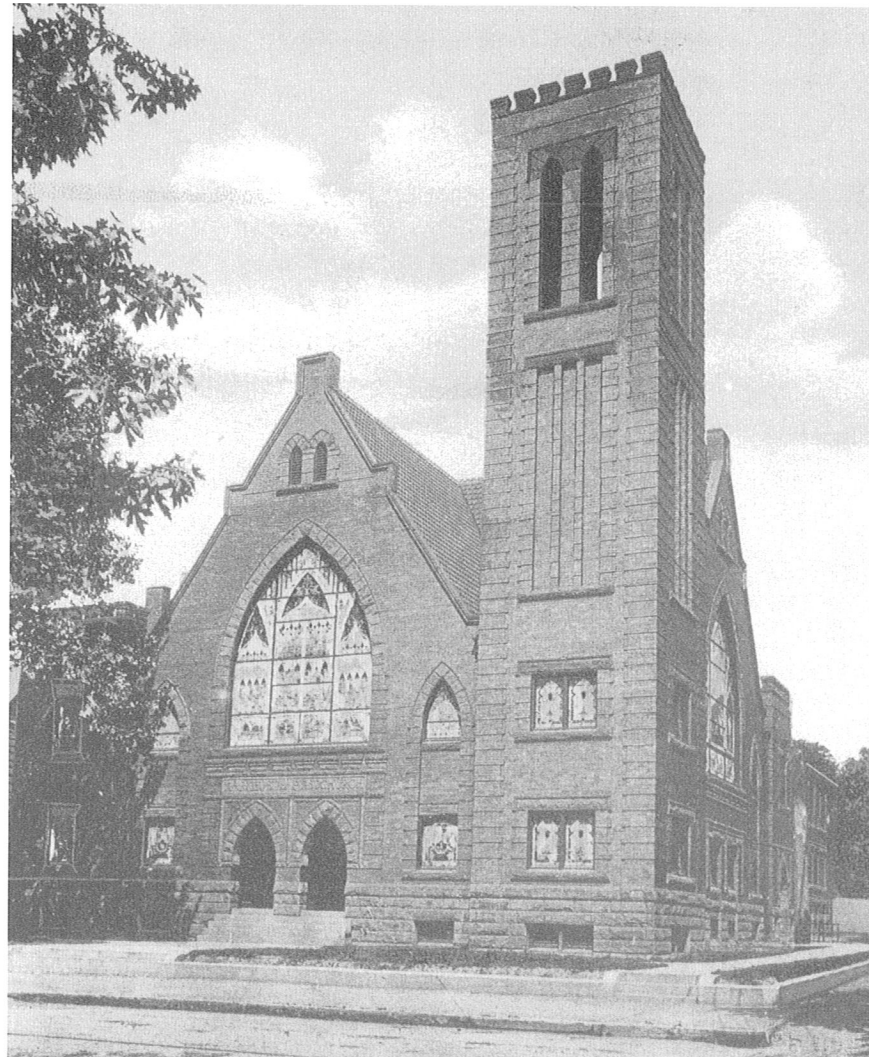

*Ray Thomas
MCCF President Emeritus*

The mission of LEAVE A LEGACY™ MUSKINGUM COUNTY is to create a world-class community for our children and grandchildren through the gifts we give to charities in our wills and trusts or through other planned gifts.

MAKING GIFTS THAT GIVE FOREVER
THE LEGACY SOCIETY

WHEN YOU NAME A CHARITY OR CHARITIES to receive a gift through your will or estate plan, you are eligible to become a member of the *Legacy Society*. The *Legacy Society of Muskingum County* is an honorary organization with membership restricted to those who have made provisions for charity in their gift planning. There are no dues and no obligations. Each year, LEAVE A LEGACY™ MUSKINGUM COUNTY will invite *Legacy Society members* to scheduled events to hear of our progress in becoming one of the most charitable communities in the United States and to celebrate with like-minded friends and neighbors.

PUTNAM UNDERGROUND

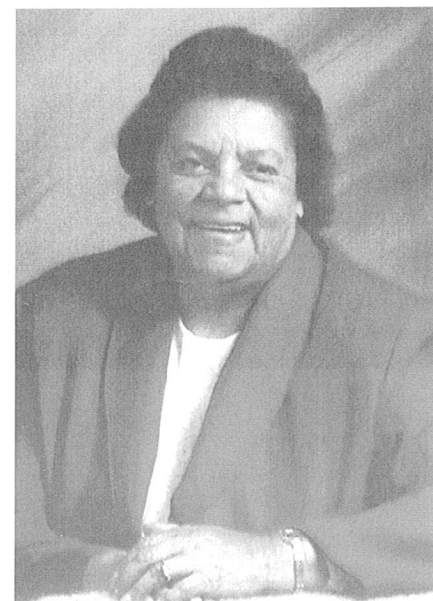

RAILROAD EDUCATION CENTER

THE PUTNAM UNDERGROUND RAILROAD EDUCATION (PURE) CENTER is a component fund of the Muskingum County Community Foundation. We are in the process of restoring the property at 522 Woodlawn Avenue, Zanesville, to convert it to an Underground Railroad education center and museum. The **PURE Center** is located in an historically significant area for abolitionist activity and will preserve an important aspect of local and national history. We are creating a first-class education center and museum that will network with underground railroad centers across the state and nation. The **PURE Center** will celebrate the cooperation among races and will serve our local schoolchildren, residents, and tourists.

THIS PROPERTY WAS DEEDED to the Putnam Restoration Fund of the Muskingum County Community Foundation in December 1998 as a gift from the **Schultz Mansion**. On May 26, 1999, the Muskingum County Community Foundation Board of Trustees approved the sale of this property to **Kathy Brantley** to restore the house and convert it to an Underground Railroad museum. On July 28, **Kathy** purchased this property and gave it back to the **Putnam Restoration Fund** of the Community Foundation. The PURE Center Articles of Incorporation were signed by **Kathy Brantley**, **Katherine Mitzel**, and the late **Pauline M. Peterson** on June 29, 1999.

RESTORATION AND REVITALIZATION are extremely important for every city. The restoration of this property will be most beneficial to Zanesville and will encourage the revitalization efforts that are currently underway in the **Putnam Historic District** of Zanesville.

THERE HAS BEEN A TREMENDOUS OUTPOURING of community support for this wonderful project. The proud heritage of the Underground Railroad belongs to our community — all of our community.

Pauline M. Peterson
February 13, 1929 - March 25, 2000

*The mission of the **PURE Center** is to provide an educational environment for young people and adults based on the heritage of the Underground Railroad.*

NEW FUNDS OF THE FOUNDATION

CHARITABLE GIVING IS INVESTING in our community's future. Since 1985, area residents have been turning to the Muskingum County Community Foundation to make their philanthropic giving as effective as possible. Individuals, families, organizations, and businesses create permanent charitable funds that help us build a strong community for tomorrow. The Foundation invests and administers these funds. In 2000 alone, the Foundation awarded more than \$575,000 in college scholarships and grants to area nonprofits, neighborhood groups, arts and cultural organizations, social services, educational institutions, economic development, youth groups, and special projects to improve the quality of life in Zanesville and Muskingum County. In 2000, seventeen new funds were established.

A FUND IS A WONDERFUL WAY to give back to our community by honoring your family or the memory of a loved one. If you are thinking about establishing a fund, please call the Muskingum County Community Foundation. Our professional staff will show you how simple it is.

SCHOLARSHIP RECIPIENTS

LAST YEAR, of the more than \$575,000 distributed by the Foundation, more than \$68,100 was awarded in scholarships to students in Muskingum County. In an effort to strengthen our community by increasing the number of students who continue their education past high school, Muskingum County Community Foundation has recently started **Scholarship Central**. Students and parents can call or visit Scholarship Central for information and assistance with local scholarship applications, criteria, and deadlines.

SOME MAY BELIEVE a college education is out of reach due to the high cost of tuition. We are very fortunate that many past and current residents of Muskingum County have generously made many scholarships available to Muskingum County students. It is the goal of the Muskingum County Community Foundation to assist those who wish to have a college education through Scholarship Central.

INFORMATION

AS SHOWN ON THE PIE CHART, THE FOUNDATION owns property and equipment, pledges receivable, and life insurance policies. Grants are generally made from earnings on Endowment funds. Donors frequently restrict how their gifts may be used in the following ways:

- They may contribute to donor advised funds and suggest a variety of organizations to benefit from their generosity.
- They may specify their gifts will benefit a specific cause or field of interest.
- They may permanently restrict the beneficiaries of their gifts to specific non-profit organizations or agencies, including the Community Foundation itself. Funds restricted in this manner are called designated funds.
- They may give to funds benefiting the community in the form of scholarships.
- They may be a non-profit agency that establishes an agency or organization fund that will return endowment earnings to the organization itself.

About Our ENDOWMENT FUND

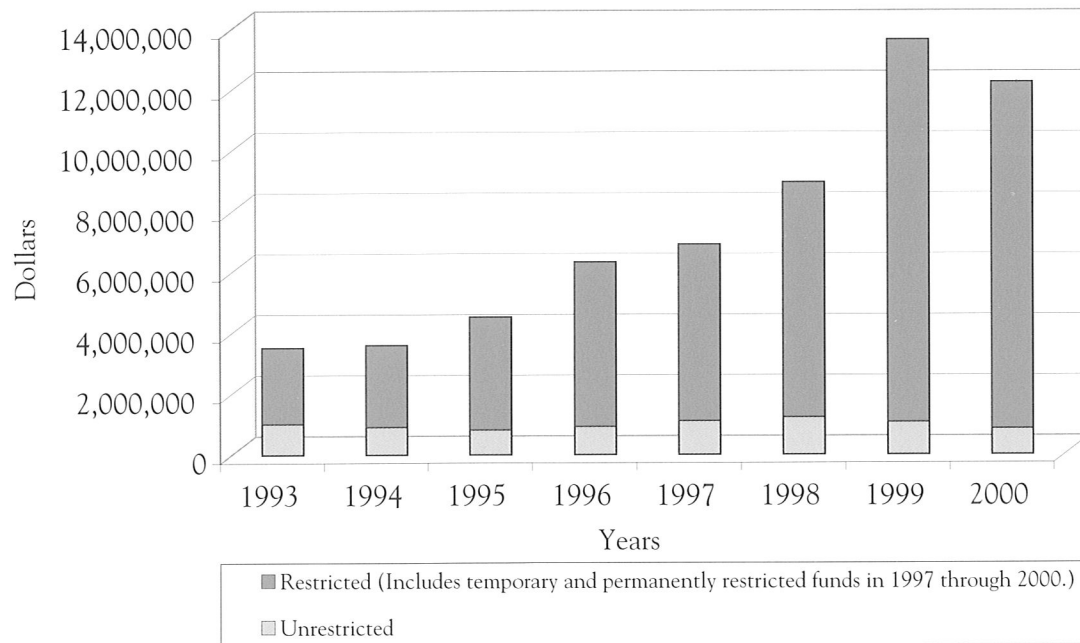

An endowment is designed to grow the principal of the fund by spending only interest and dividends. Most of the funds of the Foundation are endowment funds benefiting a variety of local charities. Almost half of the Foundation's endowment funds are designated funds. An additional 30% of endowment funds are to be used to provide scholarships for residents of Muskingum County. Seventeen percent of these endowment funds were established to benefit the Foundation, to ensure it will be here forever, continually benefiting the community.

ASSETS

2000 WAS THE FIRST YEAR the Foundation was required to comply with a new accounting standard. According to this standard, the Foundation must, from this point forward, reclassify all donations received from organizations to benefit their own funds as **LIABILITIES**.

For example, a certain charity has an endowment fund held at the Muskingum County Community Foundation. When this charity sends donations to the Foundation for this endowment fund, the Foundation must record this contribution as a liability. As shown on the "Agency Funds" line in the Liabilities section of the balance sheet, fund balances resulting from liability contributions amounted to \$530,977 through December 31, 2000. This lowered our Fund Balances in 2000 by \$530,977.

A vintage postcard of McIntire Park in the early 1900s. The scene shows a dirt path winding through a park with many trees. A wooden bench is visible on the right side of the path. The overall tone is sepia, and the image has a slightly grainy texture.
